through Bluetooth<sup>®</sup>

4

Getting To Know Your

## Smart Display

The display will illuminate once your smartphone/tablet is within range

## Probe Insert

Four probe inserts to monitor four temperatures at once

## Magnetized Mounting

Place almost anywhere with built-in magnet or optional magnetic disc

①

②

## 2 Viewing Angles

Choose from two viewing positions by rotating the main unit 180 degrees

# Battery Cover

Remove to insert batteries

# Battery

Requires 2 AA batteries (included)

## Colored Probe Indicator

Easily identify each probe reading within the app

## Probe Wrap

Neatly wrap and store your probes on the back of your unit when it's not in use

## WARNING

Colored probe indicators not intended to be used as heat safety grips. Probes are NOT dishwasher safe.

NOTE: The magnetic base is not designed to withstand high heat and it must be placed on a cool surface. If the surface is too hot to touch, it's too hot for the Weber iGrill base!

**Supported Devices:** App requires a Bluetooth® Smart Ready device. Check [support.weber.com/igrill-support](http://support.weber.com/igrill-support) for a list of compatible devices.

### Operation Is Subject To The Following Two Conditions:

(1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of this device.
